

Gemarama Preliminary Dealer Application

Our annual show GEMARAMA is held the first full weekend in November each year at the Greater Philadelphia EXPO Center in Oaks, PA. Our show is a retail show. PA requires that dealers have a valid PA sales tax ID and that you collect and submit sales tax. Gemarama booth costs range from \$672 to \$1344.

To be considered for a Gemarama dealer booth, complete and submit this form.

The Tuscarora Lapidary Society strives to present a balanced show relative to products sold by our dealers. Please provide as much information as is requested so that our committee can consider your business. Social media presence is valuable. If approved by our committee, you will be added to our **Dealer Waitlist** and will be considered for a booth in Gemarama when an opening arises for a dealer with your type of merchandise. Please note that openings occur rarely since most of our dealers return each year.
