

TITLE: BRIDGING THE GAP RING WITH KIEU PHAM GRAY

Description:

With the rising price of silver, we have needed to bridge the gap between our design endeavors with the cost of materials. This ring design was created to suite any budget, you may choose any combination of materials to suite you budget; whether it is copper with silver, silver with silver or even silver with gold, it will all look great.

Copper and silver will be provided, however, if you wish to upgrade, please reach out to the instructor directly. Kit includes enough material for 1 ring (sterling silver stock and copper stock)

Students are asked to bring the following:

- Heavy Duty Side Cutters, flush preferred
- Chain nose pliers x2
- Needle files
- Fine tweezers
- Magnifying glasses and Ott light *as needed*

**Please note that kit prices are quoted on the \$75/market, should the market rise above \$80 additional fees may apply.
