

TITLE: SKYLINE EARRINGS WITH KIEU PHAM GRAY**Description:**

Create your own stunning "Skyline Earrings" in a beginner-friendly workshop! No experience is needed to master the art of working with sterling silver and opal inlay. I will show you all the materials, tools, and guidance to help you shape, set, and polish a professional-quality pair to take home.

- Kit will provide enough material for 1 pair of earrings (SS stock, crushed synthetic opal, color may vary).

Students should bring:

Heavy Duty Side Cutters, flush preferred

Student files

Fine tweezers

Magnifying glasses and Ott light as needed

Solder stations

Files

Bench block, leather mallet

Jewelers saws and bench pin

**Please note that kit prices are quoted on the \$75/market, should the market rise above \$80 additional fees may apply.
