

Winter 2026 Kieu Pham Gray Workshops – Tools and Materials List

Over the Top

Not all stones are conducive to bezel setting. This “over the top” setting will teach you a creative way of setting stones that are not your typical cabochons. Created to engage the eye, this pendant is both dynamic and kinetic.

Tools List: Sharpie

Flush cutters

Chain nose pliers

Multi-looping pliers

Mini Decorative stamps of choice

Materials Kit: Provides material for 1 pendant (SS stock, Amethyst druzy, CZ) colors will vary
