

Winter 2026 Kieu Pham Gray Workshops – Tools and Materials List

Set for Royalty

Create a setting fit for royalty. This introductory stone setting class will add another dimension to your glasswork or any stone. Students will have the opportunity to customize a pendant design to their liking. (Dichroic glass cabochons will vary.) Additional materials and tools may be purchased from instructor.

Tools List: None. Bring your saw and tools if you are more comfortable working with them.

Materials Kit: Provides enough material for 1 pendant (sterling silver stock, 1 cabochon) Note: students are welcome to bring their own cabochon.
